Haylee Buswell

ILLUSTRATOR & DIGITAL DESIGNER

Full-time digitial designer and illustrator at e-learning company, Kognent and final-year visual communication and game art student at UniSC. Skilled in various Adobe suite programs including Illustrator, InDesign and Photoshop, and knowledge of basic video editing and animation principles. An advocate for doing the things you love and trying everything along the way, and as such skills in marketing, social media management, producing branding collateral and creating fantastic customer experiences have been acquired.
